The new residency  
program  
in Europe

## The Republic of Malta is a small country located in the center of the Mediterranean.

Since 2004, Malta is a member of the European Union and since 2007 is part of the Schengen area, in addition to this it is a part of the British Commonwealth.

The perfect combination of political and economic stability puts Malta on a par with major European countries. Economic growth was 5.1% in 2015, the country's credit rating is A with a positive outlook. The base currency is the Euro.

A warm Mediterranean climate, clean environment, a high level of safety and excellent infrastructure make Malta a great place to relax and live. And tax relief for residents give a significant advantage to business operations and capital allocation.

## What does the status of a indefinite resident of Malta offers?

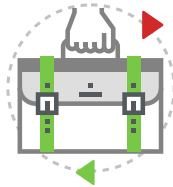

### **Freedom of movement in the Schengen countries**

(having the Maltese permanent residence you have the right to stay in Schengen countries permanently)

### **Safe place to live.**

You may permanently reside in Malta and have the opportunity at any time to go to Europe without visas and permits

### **The lack of taxation on private income derived outside Malta.**

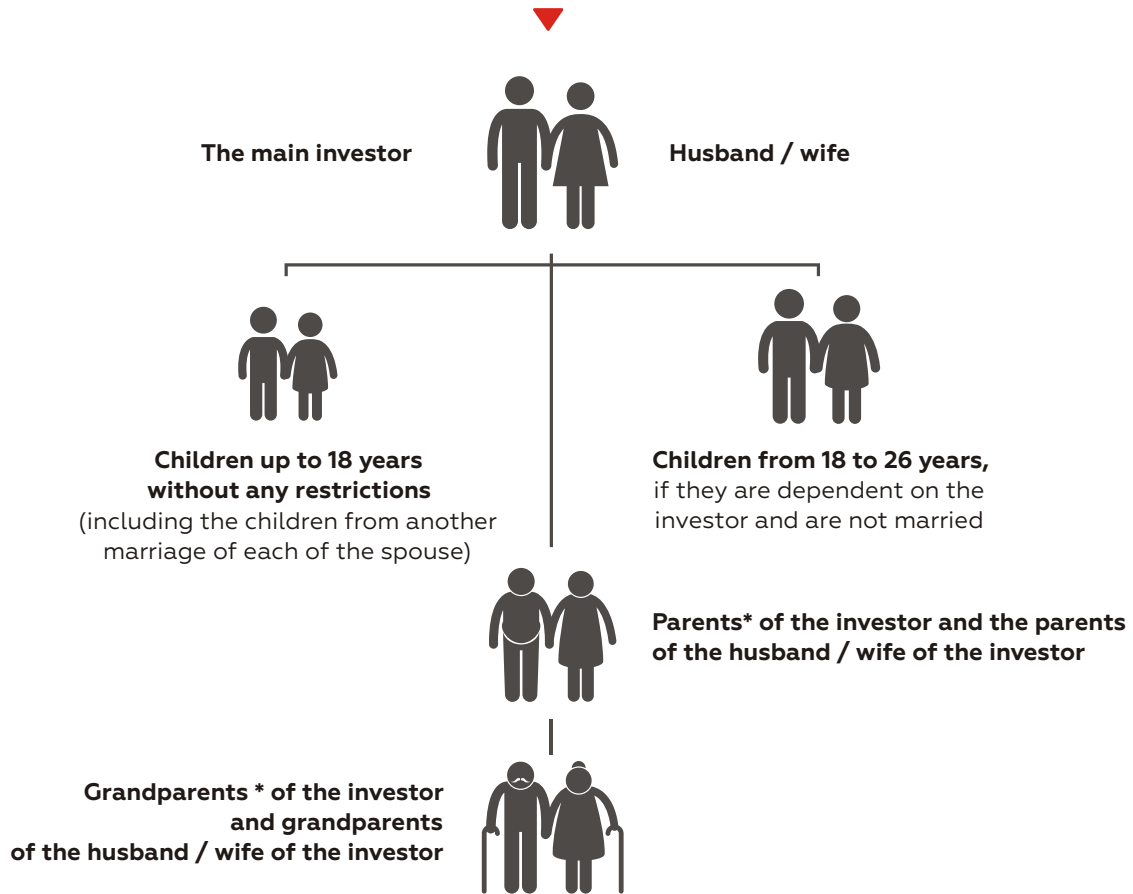

### **Tranquillity and confidence in the future.**

The Indefinite Resident of Malta receives a complete set of EU citizens' rights, except for the right to vote and the right to visa-free entry into the countries that are not part of the Schengen agreement, and along with this economic and political stability, as well as social security

Give yourself and your family the whole new level of living comfort and traveling in Europe

# The following persons have the right to participate in the Malta Residence & Visa Program through investment in government bonds

\* Parents and grandparents have the right to participate in the program, if they are dependent on the investor.

Dependent children who lose their dependency, or whose age after some period of time from the receipt of the residence is more than 26 years, have the opportunity to preserve their residence, by paying an additional contribution to the state in the amount of ^ 30,000.
